The Navigation bare can be solid Soft Charcoal Black (#0F1110) with Warm Bone Linen words (#F41EC)
~~**The Chat With Field section in the navigation bar should be replaced with "What's Inside"**~~ **For now, let's not have a Chat with Field, What's Inside or FAQ section. The Home Page, About, Contact Us and (add a) Sign In are good enough for now. We can work on the rest later - let's get this baby launched!**

Meet Field

Subheading

A different way to be with yourself.

Intro

Field is not here to coach, advise, or analyze you.
It listens, reflects, and stays with what you bring, helping you slow down and hear yourself more clearly in moments that matter.

You can talk things through, explore gentle prompts, try short grounding rituals, or simply pause and be with what is present.

You decide how deep to go, when to pause, and what comes next. Field follows your lead.
